

Section V -- REACTIVITY DATA

Stability	Unstable		Conditions to Avoid	Heat and ignition sources.
	Stable	X		
Incompatibility (<i>Materials to Avoid</i>) Strong oxidizers. Will attack some forms of plastic.				
Hazardous Decomposition or Byproducts Incomplete combustion may produce toxic fumes, including carbon monoxide.				
Hazardous Polymerization	May Occur		Conditions to Avoid	N/A
	Will Not Occur	X		

Section VI -- Health Hazard Data

Route(s) of Entry:	Inhalation?	X	Skin?	X	Ingestion?	X	
Health Hazards (<i>Acute and Chronic</i>) Acute: Eye/skin irritation. Intoxication. Headache, nausea, diarrhea, burning sensation, coma.							
Chronic: May cause hemorrhages into vital organs.							
Carcinogenicity:	No	NTP?	N/A	ARC Monographs?	N/A	OSHA Regulated?	N/A
Signs and Symptoms of Exposure Inhalation: Vapors may cause intoxication. Headache, nausea, stupor, diarrhea, coma.							
Skin Contact: Irritation. Eye Contact: May cause redness or pain. Ingestion: Nausea, vomiting, diarrhea, drowsiness, pulmonary edema, burning sensation, blurred vision.							
Medical Conditions Generally Aggravated by Exposure Skin disorders, eye problems or impaired liver, kidney or respiratory functions may be more susceptible to the effects of the substance.							
Emergency and First Aid Procedures Inhalation: Remove to fresh air. Provide CPR/oxygen if needed. Skin contact: Wash with soap and water. Eye contact: Flush copiously with water. Ingestion: Seek medical assistance.							
If conscious, give milk or water. Do not induce vomiting. If spontaneous vomiting occurs, keep head below hips to prevent aspiration of vomitus into lungs.							

Section VII -- Precautions for Safe Handling and Use

Steps to Be taken in Case Material is Released or Spilled	Eliminate all sources of ignition. Absorb on clay, vermiculite, or commercial inorganic absorbents. Place absorbed material into approved steel drum for disposal.
Waste Disposal Method	Dispose of in accordance with federal, state and local regulations.
Precautions to be Taken in Handling and Storing	Store in cool place away from heat, sparks, flame, and all sources of ignition.
Other Precautions	Not known.

Section VIII -- Control Measures

Respiratory Protection (<i>Specify Type</i>)	NIOSH-approved self-contained breathing apparatus.	Special	N/A	
Ventilation	Local Exhaust	Provide adequate ventilation to prevent concentration build-up.	Other	N/A
	Mechanical (<i>General</i>)	N/A		
Protective Gloves	Rubber or polyethylene.	Eye Protection	Splash-proof goggles.	
Other Protective Clothing or Equipment	Protective clothing.			
Work/Hygienic Practices	Avoid inhalation of vapors or ingestion of liquid. Keep away from all sources of ignition.
