PYROWIZARD FLASH KITS

Everything you need to create fire and sparks in your hands

Pyrowizard Flint Flasher Kit

Shoot fire from your hand!

That's right, fire! Nothing commands attention or makes people say "What was that?!?" better than a quick flash of flame.

The Flint Flasher is a metal finger-ring connected to a little pot that has a flint wheel, like the one on a cigarette lighter. It's easy to load and use, requires no skill or practice, and is small enough to hide in your hand. At the right moment, you strike the flint wheel with your thumb and . . . whoosh, a large flash of fire streaks up from your hand! You can even add white crackling sparks to the effect. When you do this trick you WILL have everybody's attention.

This kit contains our heavy-duty Flint Flasher, plus enough Flash Cotton and Electric Sparkle Additive to fire it more than 20 times. No batteries are needed. The products are packed in an attractive clear acrylic box for display and storage, all for much less than you'd pay for the same items if purchased individually. The Flint Flasher Kit is a super value and makes a terrific gift for the budding pyrowizard in all of us. **#MGK04**

Pyrowizard Flash Gun Kit

Everybody knows that wizards and magicians throw fire, but now you can shoot a fire ball of your very own! Includes everything you need to shoot fire from your fingertips!

The Flash Gun is small enough to conceal in your hand, yet creates an effect large enough to astound everyone. It shoots a ball of fire 10-15 feet! The gun is easy to load and use, and comes with complete instructions. No special skill or practice is required. The shooting fireball appears to have been launched from your outstretched fingers.

This Kit contains our extremely popular Electronic Flash Gun, plus enough Flash Paper and Flash Cotton to fire it 16 times. A spare 1.5V Glo-Plug and one "AA" alkaline battery are also included. Contents are packed in an attractive clear acrylic box for storage and display, all at less than you'd pay for the same items if purchased individually. Makes a unique, fun gift for any responsible adult. **#MGK01**
