Safety Data Sheet 29 CFR 1910.1200

Section 1: Company and Product Identification Product Name: Invisible UV Makeup - Blue Product Code(s): UV31 (32) (33) **Company:** Theatre Effects 1810 Airport Exchange Blvd. Suite 400 Erlanger, KY 41018 800-791-7646 24 Hr Emergency: INFOTRAC, 1-800-535-5053 (outside USA +1-352-323-3500) Section 2: Hazards Identification BLANK BLANK BLANK BLANK **Hazard Pictograms:** Signal Word: Not Applicable Non-classified **Hazard Category: Hazard Statements:** Not Applicable Precautionary Not Applicable

Hazards not otherwise classified:

None known / not applicable.

Section 3: Composition / Information on Ingredients

Hazardous substance (name)	Hazard Category	CAS#	Weight %
none	-	-	-

Section 4: First Aid Measures

General Info: Product hazards should be low under normal use. No specific measures.

Notable Exposure Skin or eye irritation may be possible in certain vulnerable persons.

symptoms:

If ingested: Rinse mouth. Drink plenty of water.

If inhaled: Remove to fresh air. Consult medical advice if any symptoms develop.

Eye contact: Rinse eyes with water. Consult medical advice if irriation develops and persists.

Skin contact: Rinse with water. Consult medical advise if irritation develops and persists.

Additional Info: No further information.

Section 5: Fire Fighting Measures

General Info: Product is sold in small quantities. Product may burn if subjected to high temperatures. No specific fire hazards.

Extinguishing Water spray or dry chemical. No specific measures. **Method / Equipment:**

Hazardous Constituents associated with burning / combustion are to be considered hazardous. Decomposition Info:

Section 6: Accidental Release Measures

Personal precautions, No specific measures are necessary. Utilize any PPE discussed in Section 8. protective equipment and procedures:

Containment Material can be stored in the original receptable or secondary receptacle. Spilled or released Equipment and material can be scraped or swept up. Procedures:

Cleanup Procedures: No specific measures. Material can be cleaned up with soap, water and rags.

Section 7: Handling and Storage

Safe Handling No specific measures. Product is non-hazardous and is unreactive. **Precautions:**

Recommendations Store in product package until usage is warranted. Store in a cool, dry place away from heat or **for Storage:** sunlight.

Incompatibilities: Store away from strong acids or oxidizing agents. Refer to Section 10.

Section 8: Exposure Control / Personal Protection

General / No specific recommendations. Running water / eyewash may be necessary in the event material Engineering needs to be washed from eyes / skin. Controls:

Work Clothing: No specific protective clothing needed.

Eye/face protection: None needed for product as received.

Skin Protection: None needed for product as received.

Respiratory Not required under normal usage. If product application is involved in aerosolization, control **Protection:** nuissance airborne particulate in accordance with OSHA PEL for nuissance particulates/mists.

Additional Observe good chemical hygiene practices. Smoking, eating, and drinking should be avoided while **Information:** product is applied, etc.

Section 9: Physical and Chemical Properties

State: Cream Mel

m Melting Point: >1500C

Freezing Not avail Point:

Color: pale, yellowish	Boiling Not avail Point/Range:	pH Not avail
Sp Grav: Not avail	Odor: Mild	Water >100 g/L Solubility:
Evaporation rate: Not avail	Flash Point: Not avail	Part. Coeff (n • Not avail octanol/water
Upper Flam Limits: Not avail	Lower Flam Not avail Limits:	Vapor Not avail Pressure:
VOC Content Not avail (lbs/gal):	Viscosity: Not avail	Autoignition Not avail Temp:

Section 10: Stability and Reactivity

General: Product is stable under normal conditions. Reacts with oxidizing agents / flame.

Incompatible Strong oxidizing agents, strong acids. Color may be degraded by these agents. materials:

Decomposition No decomposition products known. Constituents associated with burning may be harmful. **products:**

Section 11: Toxicological Information

General Information: Product is a non-hazardous cream composed of ingredients with low levels of toxicity.

Toxicological Product has not been tested. Although not tested, the product is expected to have LD50 Oral (rat) Information >5000. (product):

Likely Routes of Dermal - eye/skin Exposure:

Carcinogenicity or Product is not a carcinogen or mutagen. mutagenicity:

Sensitization: Product is not expected to be a sensitizer.

Other Notes: No further information.

Section 12: Ecological Information

General information: Product not tested. Not expected to pose an environmental hazard.

Aquatic toxicity: Not expected to have any aquatic toxicity characteristics.

Degradation / Mobility info: No specific data available.

Bioaccumulative potential: Product is not bioaccumulative.

Section 13: Disposal Information

Product disposal: Dispose of product in accordance with local, regional, and national regulations. Product is to be considered a flammable solid / ignitable waste.

Container disposal: No further information.

DOT: Not classified for transport.

Comments: No further information.

Section 15: Regulatory Information

TSCA: All components listed on the TSCA 8(b) inventory.

CERCLA RQ: Not applicable.

SARA 311/312: No SARA hazards

SARA 313 Not applicable.

California Prop 65 Not applicable. Substances:

Section 16: Other Information

HMIS Rating:	H:1, F:0, R:0
